Star Teacher!

We are so excited to recognize Miss Maya as our Employee Star of the Month at our Ward Road location! Maya has been a part of the Bunny Bunch team for almost a year, and in that time, she has truly become such an important and valued member of our family. She has the kindest and most gentle personality that is adored by children, parents, and coworkers alike. Her positive attitude shines every day, and she is always willing to lend a helping hand to both the kids and her fellow teachers whenever it's needed. Maya primarily works in the infant room, where she does an incredible job nurturing the babies, following their schedules, and helping them learn and grow. She also steps into our Pre-K rooms from time to time, and the children absolutely adore her. They love how she plays with them, teaches them new things, and greets them with a smile and enthusiasm every time. No matter what room she is in, Maya follows schedules and routines with ease—whether it's leading crafts and classroom activities, engaging in playtime, or keeping the room clean and organized. Her coworkers can always rely on her to ensure all daily tasks are completed, and she does it all with such care and dedication. We truly don't know what we would do without Maya. She brings warmth, joy, and reliability to our center every day, and we are so grateful to have her as part of the Bunny Bunch family! Congratulations, Miss Maya, and thank you for all that you do!
