STAR TEACHER

We are so excited to recognize Miss Denise as our Star Teacher of the Month for the month of October! Miss Denise has been a part of the Bunny Bunch family for over 7 years now, and in that time she has become such an important part of our team. As the lead teacher in the infant room at our Townline Road location, Denise brings a level of care, consistency, and compassion that is simply exceptional. She goes above and beyond every single day to ensure that each baby in her care feels safe, loved, and nurtured. From making sure all their routines and schedules are perfectly met, to knowing exactly what each child needs to feel happy and secure, her attention to detail and deep care truly shine. One of the many highlights in Miss Denise's classroom is morning Circle Time - a special time filled with puppets, songs, and stories that her babies absolutely adore! She's always coming up with new and engaging ways to make the day fun, from bubble play to music and movement activities. The love she brings into the room is evident, and the little ones all adore her. In addition to her amazing work with the infants, Miss Denise is also reliable, always on time, and willing to help out whenever needed. Her dedication and strong work ethic do not go unnoticed. We are incredibly lucky to have someone as caring, committed, and hard working as Miss Denise on our team. Thank you for all that you do each and every day!! We love you!!!

Star of the Month

We are excited to announce that our Star of the Month for October is the incredibly sweet and joyful Colton! Colton joined us at Bunny Bunch at the beginning of the summer, and in just a short time, he has completely stolen our hearts. At 8 months old, he is already doing so much and growing every single day! Colton is the happiest baby — always full of smiles that brighten up the whole room. His cheerful personality is contagious, and it's impossible not to smile when he's around! He is such a cuddly, loving little one, and he's also becoming quite the explorer! Colton loves to roll around and we know it won't be long before he's really on the move! He's always on the lookout for new toys to scoot toward and play with, and he absolutely loves spending time in the jumper, bouncing away with pure excitement. Colton is also very observant and curious about the world around him. During Circle Time, he pays such close attention, clearly taking everything in. One of his favorite activities is bubble play — his face lights up with excitement every time he sees the bubbles float through the air! We are so lucky to have such a sweet, happy little guy in our Infant Room. Colton's joyful energy and heartwarming smile bring so much happiness to everyone here. We can't wait to continue to watch him grow, learn, and discover the world around him. Way to go, Colton! We love you!!!
