OCTOBER 2025

Star Teacher

We are so excited to recognize Miss Denise as our Star Teacher of the Month for the month of October! Miss Denise has been a part of the Bunny Bunch family for over 7 years now, and in that time she has become such an important part of our team. As the lead teacher in the infant room at our Townline Road location, Denise brings a level of care, consistency, and compassion that is simply exceptional. She goes above and beyond every single day to ensure that each baby in her care feels safe, loved, and nurtured. From making sure all their routines and schedules are perfectly met, to knowing exactly what each child needs to feel happy and secure, her attention to detail and deep care truly shine. One of the many highlights in Miss Denise's classroom is morning Circle Time – a special time filled with puppets, songs, and stories that her babies absolutely adore! She's always coming up with new and engaging ways to make the day fun, from bubble play to music and movement activities. The love she brings into the room is evident, and the little ones all adore her. In addition to her amazing work with the infants, Miss Denise is also reliable, always on time, and willing to help out whenever needed. Her dedication and strong work ethic do not go unnoticed. We are incredibly lucky to have someone as caring, committed, and hard working as Miss Denise on our team. Thank you for all that you do each and every day!! We love you!!!

Our Star Student of the Month is sweet **Everleigh**, who will be celebrating her very first birthday next month! Everleigh has been with us since she was just a few weeks old, and it has been such a joy to watch her grow, learn, and reach so many exciting milestones. She always brightens our classroom with her big, beautiful smile and contagious giggles that make her teachers and friends so happy. Everleigh loves being silly with her teachers and classmates, and she brings so much joy to everyone around her. Everleigh is such a curious little girl and loves exploring the room—once she started crawling, there was no stopping her! She enjoys playing with all the toys she can find, especially ones that make noise (and if they don't, she finds a way to make them!). Her gentle and caring personality shines through when she interacts with her friends, often sitting beside them, sharing toys, and playing together. She also loves snuggles and lap time with her teachers, and her silly faces never fail to make everyone laugh. We are so proud of all the progress she has made and are so grateful we get to watch her grow each day. Congratulations, Everleigh! Keep up the great work! We love you!!!
