SEPTEMBER 2025

Star Teacher

We are so excited to recognize Miss Maya as our Employee Star of the Month at our Ward Road location! Maya has been a part of the Bunny Bunch team for almost a year, and in that time, she has truly become such an important and valued member of our family.

She has the kindest and most gentle personality that is adored by children, parents, and coworkers alike. Her positive attitude shines every day, and she is always willing to lend a helping hand to both the kids and her fellow teachers whenever it's needed. Maya primarily works in the infant room, where she does an incredible job nurturing the babies, following their schedules, and helping them learn and grow. She also steps into our Pre-K rooms from time to time, and the children absolutely adore her. They love how she plays with them, teaches them new things, and greets them with a smile and enthusiasm every time. No matter what room she is in, Maya follows schedules and routines with ease—whether it's leading crafts and classroom activities, engaging in playtime, or keeping the room clean and organized. Her coworkers can always rely on her to ensure all daily tasks are completed, and she does it all with such care and dedication. We truly don't know what we would do without Maya. She brings warmth, joy, and reliability to our center every day, and we are so grateful to have her as part of the Bunny Bunch family! Congratulations, Miss Maya, and thank you for all that you do!

Infant Room star of the
month,
Vivian!

INFANT ROOM STAR STUDENT

Vivian is almost 18 months old and has been a part of the Bunny Bunch family for a whole year now! We have loved watching her grow and learn so much since she first started with us. Over the past year, she has made incredible progress, and lately she has been impressing us more and more each week. Vivian has mastered walking like a true champion and loves to show off how fast she is and how great her balance has become by walking all over the room. She has also become quite the little conversationalist, greeting all her teachers and friends with an enthusiastic “hi” every chance she gets. She loves participating during Circle Time, eagerly pointing at numbers, shapes, and colors and trying to sound them out. Some of her favorite activities include playing with connecting beads, reading stories, dancing, doing crafts, playing with baby dolls, and showing off her adorable smile. Vivian is a sweet, lovable, and kind little girl who gets along with everyone. She enjoys tickling her friends and teachers, sitting on her teachers’ laps, and playing hide-and-seek. Vivian is truly the sweetest and most gentle little lady, and she is adored by all who know her. We are so proud of all she has accomplished over this past year and know she will continue to do amazing things as she moves up to the Toddler Room soon! Congratulations, Vivian! Keep up the great work! We love you!!!
